May 2010

Dear Colleague,

Determining where and how to spend your sponsorship and exhibiting dollars is a difficult decision with today's economic climate. We, at The Pennsylvania Organization of Nurse Leaders (PONL), realize that fact greater than anyone. Our 500+ members from across the state continually deal with and manage issues such as nursing shortages, budget cuts, tight resources and reductions in education and travel allowances on both a supervisory and administrative level.

Our 2010 Annual Conference will be held in Harrisburg, PA September 15-16 at The Crowne Plaza Hotel. Your organization will have direct access to key nurse leaders and decision-makers through sponsorship and exhibiting opportunities.

This year's theme is **"Transforming Healthcare through Leadership and Innovation."** At the PONL Conference, we provide ample opportunity for our sponsors and exhibitors to make vital contact with strategic leaders who plan and implement fundamental changes within their organizations. We invite you to increase the visibility of your organization by sponsoring a speaker, event, booth or branding item at the PONL Conference this year.

Attached is a listing of sponsorship and exhibitor opportunities. I am sure that you will find a sponsorship/exhibitor level that will be beneficial to both your organization and to PONL. We appreciate your time, consideration and dedication to educating nurse leaders in Pennsylvania.

Should you have any questions or need further information please contact Pam Vogel at PONL. Pam can be reached by phone (412) 344-1414 or by e-mail at vogel@panurseleaders.org.

Sincerely,
